Re: Formal Approval of Form and Amount of Reclamation Surety, Cotter Corporation,  
Papoose Mine, M/037/084, San Juan County, Utah

Dear Mr. Williams:

On September 27, 1995, the Board of Oil, Gas and Mining formally approved the form and amount (\$100,000) of reclamation surety for Cotter Corporation's Papoose mine. The reclamation surety is in the form of a surety bond (\_\_\_\_\_) issued by United Pacific Insurance Company and is held by The School and Institutional Trust Lands Administration (SITLA). The Division hereby grants its final approval of this project and the reclamation surety.

Enclosed please find a copy of the fully signed and executed Reclamation Contract for your files.

Thank you for your cooperation in finalizing this permitting action. Please call me if you have any questions in this regard.

Sincerely,

Anthony A. Gallegos  
Senior Reclamation Specialist
